

Accessibility Plan 2018-19

Aim	Issue	Action	Cost	Person Responsible	When
Ensure that accessibility plan is monitored and actioned	The planned actions in the 2017-18 accessibility plan were not completed.	Incorporate accessibility plan actions into the main School Improvement Plan.	£0	KB	September 2018
Ensure that students with SEND are aware of the support available at EMS	Limited information regarding SEND may put some students off applying to the school.	Create a student support summary to insert into current prospectus.	£0	Grace Strachan	October 2018
		Add information about student support, including SEND, to the next edition of our prospectus	£500	Susie Catling	July 2019
Ensure that all visitors with access needs are aware of the facilities and know who to contact for support	One parent has highlighted to us that our paper work does not tend to make it clear that we have a lift available or other support for those with disabilities.	Review paperwork that is sent to prospective visitors regarding access arrangements.	£0	Will Denford	From September – August (review throughout the year as letters are sent out)
		Ensure facilities are made clear on our new website	£0	Kerry Burnham	September 2018
Ensure staff are equipped to support deaf students	We have a student joining the school who is deaf and needs additional support	Provide deaf awareness training for all staff	£500	Will Denford	October 2018
Ensure appropriate equipment is installed to support those who are deaf	We have a student joining the school who is deaf and the parent of another student is also deaf.	Provide the technology needed to support a hearing loop and ensure it is installed and staff know how to use it.	£800	Will Denford	September 2019
