

# FREE PHYSMATHS CONFERENCE

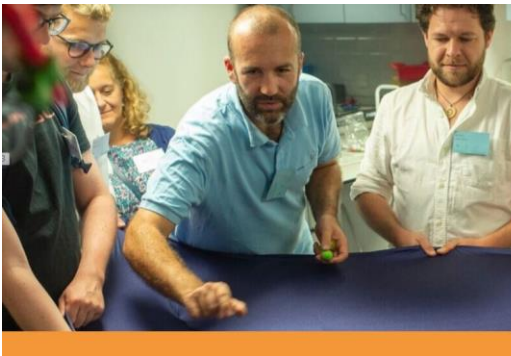

Wednesday 10<sup>th</sup> July, 0915-1545

Exeter Maths School, Rougemont House, Castle Street, Exeter, EX4 3PU

Are you teaching Physics but it  
wasn't the focus of your degree?  
Are you an NQT in Physics?  
Are you returning to teaching  
Physics following a career break?

If you answered yes to any of the above questions, this could be the perfect event for you!

Inspired by the Teacher Subject Specialist Training (TSST) Programme, Exeter Maths School is delighted to present our annual PhysMaths event: a one-day conference for non-specialist teachers of Physics, Physics NQTs and Returners from across the South West.

Delegates will take part in workshops, according to preference, have time to mingle and share experiences and enjoy talks from key-note speakers. Refreshments and lunch will be provided free of charge.

To reserve a place at the conference, please click [here](#).

Full details about speakers and workshops will follow after you have signed up, enabling you to select the sessions of your choice.

For further info, or with any queries, please email [events@exetermathematicsschool.ac.uk](mailto:events@exetermathematicsschool.ac.uk) or telephone 01392 429020. Please note that we are running a similar event for non-specialist teachers of Maths on Thursday 11<sup>th</sup> July. Please get in contact using the above details for further info about this event.
